Liz:

We agree that you do not need to file the privilege log under seal. Also, I believe that your privilege log is also marked confidential, and we expect that you would not require us to file that under seal if the need arises at some later date.

Regards,

Brian

Brian,

Thank you for your call earlier today regarding the below email. On that call, you indicated that you would likely permit the confidentiality designation to be removed. You indicated that you needed to receive client approval first. We are extending the deadline for Plaintiffs to respond to us until 3:30 PM tomorrow. So please let us know your position on dedesignation by that time.

Thanks,
Liz

Brian,

Plaintiffs request you remove your confidentiality designations from your privilege log.

Plaintiffs anticipate filing a pleading that may include the referenced document. As we explained at the 26(f) conference, we understand that Judge Forrester permits filings under seal in only the most narrow circumstances (e.g., a social security number, account number, or trade secret). Please let us know by tomorrow at 5 PM if you agree to remove your confidentiality designations.

Thanks,
Liz
